

INTELCAN SIGNS CONTRACT WITH MINISTRY OF DEFENCE OF THE REPUBLIC OF BULGARIA

ISSUED APRIL 23, 2009

Intelcan signed a contract with the Ministry of Defence of the Republic of Bulgaria for the delivery of three Primary Surveillance Radar (PSR) and the modernization of two Primary Approach Radar (PAR).

Intelcan's CEO, Georges Ata, stated "with the signature of this contract, Intelcan demonstrates its commitment to maintaining a long term relationship with its customers. In addition, this contract shows Intelcan's strength in delivering state of the art Primary Surveillance Radar and extending the life of legacy radar technology."

Previously, Intelcan completed the modernization of the Bulgarian Air Forces' Krumovo Airport in less than a year from its award to the company. In addition, Intelcan completed the modernization of the leading air base in Bulgaria, Graf Ignatievo Airport, to NATO and ICAO standards.
